The tournament rules are that you play against the computer, until you lose. The winning players will receive 10,000USD and a 10,000USD prize pool. Join the Discord Server and communicate in English and Spanish. We have created both English and Spanish videos to help you along the way. + Discord * Password protected + Account ID/Discord To request more cards from our YGOPRO AI, contact us. The rankings will be updated every hour. Our YGOPRO AI uses Leela Chess Zero to play against other players. Please note that Leela Chess Zero is an AI bot, which means that it is intended for self-teaching and not for professional use. The top three players at the end of each hour will receive 500USD each. The amount of prizes will increase as

we grow. Frequently Asked Questions Q: Where do I send the data to? A: You must click on the "Back" button at the bottom of the screen after every round. Your current score will be saved and your AI opponent will not be able to view your cards or your opponent's cards. If you do not click on the "Back" button after every round, your score will be invalid. Q: Where can I get the data from? A: We collect the data from the #New and #Open tournaments on the Dueling News Discord. Q: How do I get the data from a tournament that isn't on the Dueling News Discord? A: If you have created a deck in the online deck builder and have access to the data of your deck, you can send the deck to our Discord server. You can see the data of your deck on our Discord server by going to the "Deck Builder" 82157476af
